

Application No.: 10/587,903
Filing Date: 28 July 2006

REMARKS

Amendments to the Claims

Claims 1-20 have been cancelled. New Claims 21-52 have been added. Support for new Claims 21-34 can be found, for example, in paragraphs [0148]-[0158] of the published application. Support for new Claims 35-41 can be found, for example, in paragraphs [0159]-[0172] and Figures 6A and 6B of the published application. Support for new Claims 42-52 can be found, for example, in the original claims and throughout the specification as filed. No new matter is added.

No Disclaimers or Disavowals

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, the Applicants are not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. The Applicants reserve the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not infer that the Applicants have made any disclaimers or disavowals of any subject matter supported by the present application.
